Have your name on everything you bring to camp including your trunk and duffel bag.

I am sending you this form of things to take to camp because I believe it will be of value to you in keeping a close watch on your personal property. Check the things off as you pack and leave for camp, and be sure that you assist in the preparation or do it all yourself. Repeat the checkup as you pack for home. Use adhesive tape with indelible ink on those articles on which you cannot sew name tapes.
